

Roosevelt Leaves War Debt Problem To Hoover

Official Statement Declares Progress Has Been Made, But Governor Departs Without Commitment—President Summons Congressional Leaders To the White House.

◆ Washington, Nov. 23 (AP).—The possibility of an administration-sponsored effort to reach a compromise on Europe's demand for war debt relief arose today as President Hoover renewed his assault upon the tangled problem by summoning to the White House congressional leaders of both parties.

Cincinnati, Nov. 23 (AP).—A resolution urging an amendment to the Federal Constitution to provide for a five-day week and a six-hour day was before the American Federation of Labor convention today.

The resolution said the proposed amendment would be emergency legislation. It was proposed following a declaration of the executive council for shorter hours.

Though no specific recommendation was made by the council, President William Green in his opening address said the country faced the alternatives of the 30-hour week or feeding a permanent army of millions of unemployed.

Christmas Seal Sale Is Begun

The theatres of Kingston are co-operating this week and next week with the tuberculosis committee of Ulster. Through the courtesy of Mr. Gildersleeve, manager of the Broadway and of Reade's Theatre, a sound trailer of Christmas ~~Songs~~ will be shown at the Broadway Theatre on Thanksgiving Day and for the rest of the week. For three days next week it will be shown at Reade's Theatre. The latter part of next week it will be shown at the Orpheum.

A softly lighted church in a winter setting and the scene at the Manger are flashed on the screen. When the melody fades slightly, two children stroll along by the church.

Hearing music, they stand outside and join the choir in singing carols. The little girl then steps forward and makes an appeal to the audience, telling them that they "can make lots of sick people well by buying Christmas Seals, etc., etc." The short speech is followed by a full

SENIORS PREPARE FOR THANKSGIVING DANCE

The Kingston High School Senior Class is busy preparing for its annual Senior Dance to be held Thanksgiving night in the high school gym. The committee for decorations have decided on the colors of orange and black and have worked up a scheme of decoration that will transform the gym into a paradise of colors, soft lights and sweet music.
George Smith and his seven piece orchestra will furnish the music. A large crowd is expected. The ticket sale has been remarkable. It is estimated that the affair will be well attended, and one of the most colorful gatherings that the school has known in some time.

"Scenery" in an Agate
Moon agate is sometimes called Moontone or scenic agate, says Nature Magazine. It is a more or less transparent chalcedonic quartz in which iron or manganese oxide has painted scenes resembling sometimes landscapes, sometimes flowers, and sometimes starlike radiations. The principal sources are Colorado, Montana and Wyoming.

Tips on CONTRACT

LESSONS IN PASSING
By TOM O'NEIL

Often the word "pass" during the auction in contract turns out very profitable. Especially is this so when a vulnerable side starts bidding suits in which opponents have strength.

Conversely, if a no trump is bid by a vulnerable player after an opponent has offered a suit, there is danger of a double and a heavy penalty.

By judicious passing Mrs. Ely Culbertson and William J. Huske set the redoubtable P. Hal Sims and Willard S. Kara five vulnerable doubled in the Vanderbilt cup tournament. Here was the hand:

Sims NORTH DEALER		Kara SOUTH	
♠ 7542	♥ 7542	♠ 7542	♥ 7542
♦ 7542	♣ 7542	♦ 7542	♣ 7542
WEST	EAST	WEST	EAST
♠ 7542	♥ 7542	♠ 7542	♥ 7542
♦ 7542	♣ 7542	♦ 7542	♣ 7542
♠ 7542	♥ 7542	♠ 7542	♥ 7542
♦ 7542	♣ 7542	♦ 7542	♣ 7542

Sims opened the auction with a spade, his cards affording possibilities of a part score or more if they fitted with partner's. Would Mrs. Culbertson, with her high spades, bid no trump? No; she passed to await developments. They came.

Kara denied the spades by bidding two hearts. Huske, with his high

A New Formula For Contract Sets
By TOM O'NEIL

Leslie E. Rowell of Berkeley, Calif., has a method of computing the total penalty for doubled not vulnerable undertricks at contract which he thinks is easier than one now in wide use.

He starts with the figure one and keeps adding successive digits until he reaches the number of tricks set, then repeats the last figure, multiplying the total by 50. For instance, down five:

One plus two plus three plus four plus five (repeated) equals 20, which multiplied by 50 equals 1,000, the penalty for five down doubled not vulnerable.

Possibly some players will find this method easier than beginning with two and stopping with a figure one higher than the number of tricks set, as for a set of five: Two plus three plus four plus five plus six; multiplied by 50 equals 1,000.

Instead of multiplying the total by 50 in either case one can divide by two and add one cipher or two ciphers as the case may be.

National Guard to Hold Series of Dances

Will Raise Funds to Equip Recreation Rooms of New Army—Solicit Support of the Public.

Members of the local National Guard solicit the support of the public at the dance contest series, which will be held on December 2, 9, 16 and 23. This is an attempt to raise funds to be used to equip the recreation rooms of the new army which is now under construction on North Manor avenue.

For a period dating back ten or more years prior to the World War the National Guard of Kingston had a hard row to hoe in regard to getting and holding as well as maintaining personnel. This was in part due to the fact that the local army was antiquated and insufficient to properly house the local units. The government provides but a very small appropriation for the recreation of the men of the Guard and funds for use for recreational purposes must be secured through local channels and through entertainments and benefits which the local guardsmen give.

Now the government is constructing an army which every member of the local units are justly proud, an army which is perhaps one of the best in the country. However, nothing is provided either in the way of money or furnishings with which to make the new army an attractive place for the men. In order to provide a fund for this furnishing of the new plant the local guardsmen are giving this series of dance contests next month from which they hope to derive some funds for the furnishing of the new army. The local men earnestly solicit the support of the public at these dances in order that a fund may be raised for the purpose of acquiring suitable furnishings for the comfort of the men and to make the new army an attractive place, one which will attract the young men of this locality and hold them in the ranks and strengthen the morale of the men. The officers of the local units have taken a deep interest in the men of their organizations and have given much time toward increasing the interest in the Guard and maintaining and raising the standard of the local units. Not only the officers but the men of the Guard ask for the support of the public in this series of dances. The public will receive an evening's entertainment and the military organizations will profit by such support.

DOG AUCTION MEMBERS TO MEET MONDAY

The first membership meeting of the mid-Hudson dog auction will be held at the county court house in Kingston Monday afternoon, November 28, at 2 p. m. Only paid members will be eligible to vote but all poultrymen interested in the auction are cordially invited. This will be a tri-county meeting, with poultrymen from Columbia, Dutchess and Ulster counties in attendance.

E. L. Plam of Poughkeepsie, president of the board of directors, will preside. Any questions members may have in regard to the auction, should be brought up at this meeting.

The auction has been in operation at Poughkeepsie since October 15. The results have been very satisfactory. The question will be brought up on Monday as to how long new members should be accepted. The sentiment seems to be that poultrymen who do not support the auction during the fall and early winter months should not be admitted to membership in the spring.

Annual Report of TB Hospital Received By Board Of Supervisors

Dr. F. W. Holcomb Submitted Report of First Year at New TB Hospital—Other Matters Before Supervisors.

The annual report of Dr. F. W. Holcomb, medical superintendent of the Tuberculosis Hospital, and the report of the Board of Managers of the Hospital were received by the board of supervisors in session Tuesday evening. The report was referred to the committee on TB Hospital and Laboratory. The report of Dr. Holcomb, covering the first year of the new Tuberculosis Hospital, is a most interesting one and a full report and will be found in another column of The Freeman.

Dr. Holcomb's report showed a total operating cost of the new hospital for the year of \$53,433.74 less \$6,113.36 which was received from patients for care, making the total net cost for operation \$47,320.38. The cost per day per patient was \$4.37. The report showed that in November 1931 there were 19 patients in the hospital and that 95 were admitted during the year making a total under care of 114. Seven were transferred to other hospitals and 48 have been discharged. There have been 13 deaths and at the close of the present year there are 45 patients remaining. Of the 48 cases discharged 38 were discharged as improved and 10 as unimproved.

After the report had been received Chairman Elsworth stated that he had been a member of the committee on TB Hospital and it had been anticipated that the cost of operation of the new plant would be in excess of that which it had cost during the past year. He said that the operation the past year had been very satisfactory and the cost less than anticipated.

The report of the Board of Managers will be found in another column of The Freeman.

The resignation of the Very Rev. Joseph B. Scully from the Board of Managers of the TB Hospital was received. It was dated September 23, 1932, at the time Father Scully was transferred to New York city. The resignation was received and filed and later on motion of Supervisor Davis of Marlborough the Rev. Henry E. Herdogen was appointed to the board of managers to serve out the unexpired term of Father Scully which will expire September 17, 1934. The resolution of Supervisor Davis also called for the re-appointment of Dr. A. C. Gates to the board of managers to succeed himself for the full term of 5 years. The resolution was unanimously adopted.

There were thirty supervisors present when the meeting was called to order by Chairman Elsworth. Supervisors Jank and Lyons were excused on account of illness. On motion of Supervisor J. L. Rowe, seconded by Supervisor Herbert Myers, the reading of the minutes of the previous session was dispensed with and the board got down to business immediately.

Supervisors James L. Rowe, Lawrence T. Scanlon and Robert F. Charlton, committee on county treasurer and seal, reported relative to the annual report of County Clerk James A. Simpson and County Treasurer Arthur Rice in regard to the receipt and distribution of mortgage tax. The committee reported that it had examined the report and found it correct and that the amount of tax to be apportioned is the sum of \$9,165.63, to be distributed as follows:
